

FUTURE OF EUROPE

The White Paper process: from Rome to the European Parliament elections in 2019

The White Paper on the Future of Europe was presented by President Juncker on 1 March. It marks the beginning of a process for the EU27 to decide on the future of their Union. A series of 'Future of Europe Dialogues' will be held across Europe's cities and regions. As part of the White Paper process, the Commission will also present a series of five Reflection Papers on key themes for Europe's future. President Juncker's State of the Union Speech in September 2017 will take these ideas forward before first conclusions could be drawn at the December 2017 European Council. This will help to decide on a course of action to be rolled out in time for the European Parliament elections in June 2019.
