

#tenBoma

**A collaborative community
and wildlife security framework**

The Winning Formula

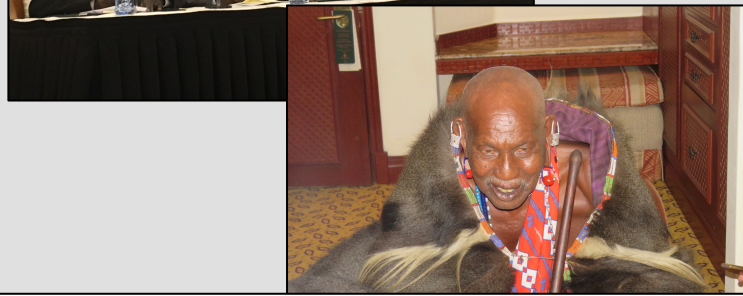

Objectives:

1. Deny operational space to poachers
2. Create space for enforcement and stakeholders
3. Illuminate organized wildlife crime networks

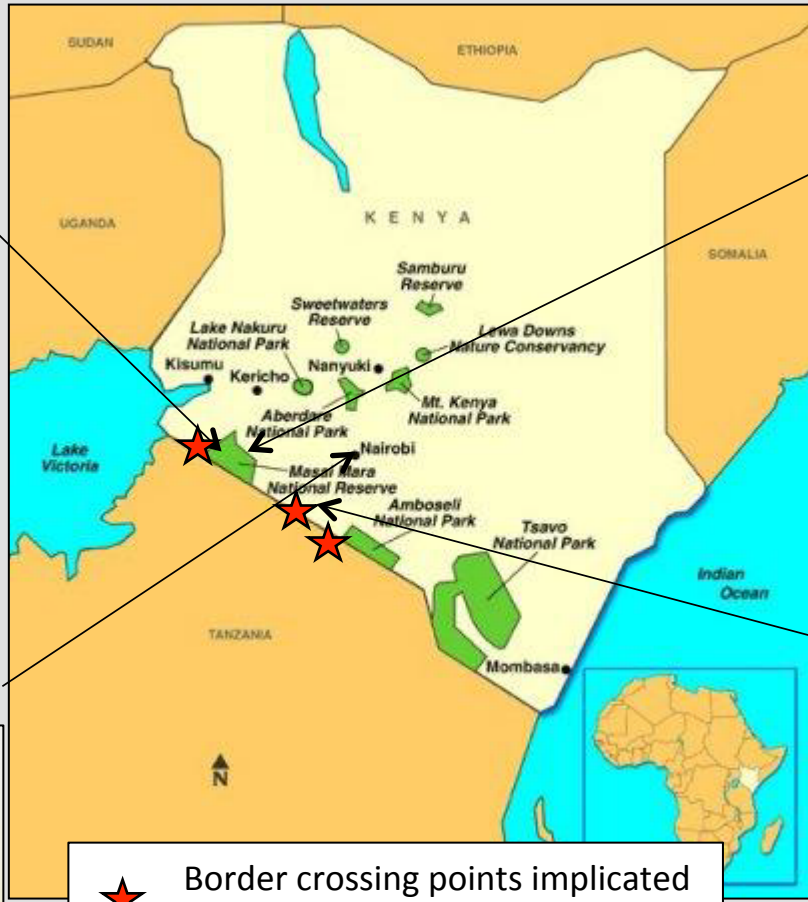

tenBoma Amboseli-Chyulius-SORALO (ACS): Addressing Human Wildlife Conflict to *Create Space* for Cross-Border Wildlife Crime Enforcement and Engagement

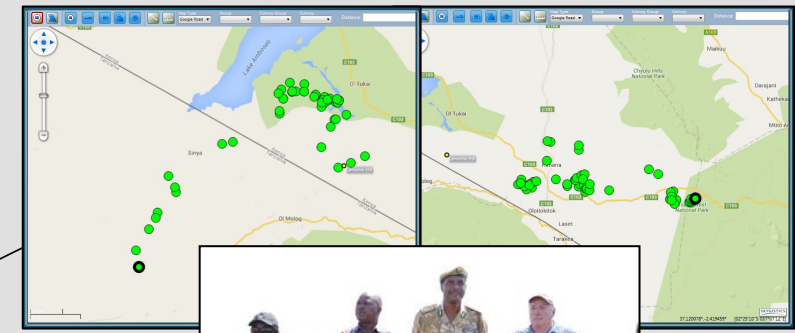

March of 2016, HWC escalates in Amboseli;
3 youth and 4 elephants killed in one month

In April, IFAW convenes inter-tribal leadership forum
to address community –wildlife challenges

★ Border crossing points implicated
in illicit wildlife trafficking

In October, KWS with IFAW collars six elephants
to include 2 bulls known to forage in farmlands

In October, IFAW provides tenBoma training to
SORALO, BLF, and MWCT Community Scouts
