

## Invitation to the CSDP Orientation Course

(Activity Number 17-18/3/12)

taking place in Bucharest, Romania from 5 to 9 February 2018  
hosted by the "Carol I" National Defence University  
Crisis Management and Multinational Operations Department

The "Carol I" National Defence University, through the Crisis Management and Multinational Operations Department, with the support of the European Security and Defence College (ESDC) has the honour to invite you to the Common Security and Defence Policy (CSDP) Orientation Course to be held in Bucharest from 5 to 9 February 2018.

The CSDP Orientation Course is a major component of EU training activities in the field of the CSDP with the aim to develop and promote a better understanding of CSDP as an integral part of the Common Foreign and Security Policy (CFSP) of the European Union.

In view of the upcoming Romanian presidency of the Council of the EU (first semester 2019), this course will focus on major themes and topics relevant for CSDP practitioners that might be involved or have a role in such an important endeavour for a Member State. In particular, we intend to explore the challenges of implementing the defence package derived from the EU Global Strategy for Foreign and Security Policy, the specific aspects of working in CSDP relevant committees and working groups or the constraints and perspectives of CSDP after BREXIT.

In this context, it is a great pleasure to invite you to nominate participants at this course, which would offer them an excellent opportunity to gain an insight into CSDP and contribute to achieving the ultimate goal of the course: *providing Member States and EU institutions with knowledgeable personnel, able to work in CSDP related fields.*

Gheorghe CALOPĂREANU, Colonel  
"Carol I" National Defence University,  
Commandant
