

Call for Proposals DEAR 2013

Angelo Baglio
Head of Unit, DEVCO B2
European Commission

Why the proposed changes to the Call for Proposals?

Added value of the EC: at European level, not national

Multiple small-scale projects: difficult to demonstrate impact, coherence, EU added value

High number of projects: prevents EC focusing on more strategic actions

EYD 2015: opportunity to highlight the relevance of DEAR

Why larger projects?

Maximizing added value of EU : focus on Pan-European perspective and reach, promotion of European values

Demonstrating impact on programme level: requires step change

Larger projects covering more countries: higher programme coherence and complementarity

Larger size will require pooling of capabilities: lead to stronger projects and coalitions, encourage actors to work together.

EYD 2015: opportunity to showcase DEAR and reaffirm its relevance in ongoing global development debates
