- 5. Eligibility Criteria and budget**
- 6. The Pilot Call**
- 7. WIDESPREAD 2- Calls for ERA Chairs**

1- WIDESPREAD 2-2014: ERA Chairs – Objectives of the action

- Bring high quality researchers and managers to universities and other research organisations **with the potential for research excellence.**
- Institutions should implement **structural changes** to achieve excellence on a sustainable basis.

2- WIDESPREAD 2-2014: ERA Chairs

– Proposal design

- In **any scientific domain** of research and innovation but expected to be inline with regional/national **strategies for smart specialisation**.
- Shall comprise measures to foster compliance with **ERA priorities** (open recruitment, peer review, gender balance, innovative doctoral training).
- Include a plan to increase **Research Capacity**: measures for better use of the installed research capacity; description of any necessary investments in facilities and infrastructures and present a strategy to mobilise support for them (including possible support from Cohesion funds -ESIF).

3- WIDESPREAD 2-2014: ERA Chairs - Expected Impact

- Increased attractiveness of institution and region for **excellent researchers**.
- **Research excellence** in the fields covered by the ERA Chair.
- **Increase participation** of the institution in Horizon 2020 and other internationally competitive funding programmes
- Institutional changes to comply with **ERA priorities**
- Contribution to regional and/or national **smart specialisation strategies**, including obtaining support where appropriate from European Structural and Investment Funds.

4- WIDESPREAD 2-2014: ERA Chairs - The ERA Chair holder

- The ERA Chair holder should be an **outstanding researcher and research manager** with a proven record of leadership.
- The appointment of an ERA Chair holder must follow an **open and merit-based recruitment process**, and will be subject to monitoring by the European Commission.
- ERA Chair holder shall be designated as a **full time position** or equivalent contractual arrangement.
- The institution should ensure **autonomy** for the Chair and his/her team
- ERA Chairs can be of **any nationality**

5- WIDESPREAD 2-2014: ERA Chairs - Eligibility Criteria and budget

- As for the other measures under Widening, applicant organisations shall be established in eligible Members States and Associated countries indicated in the Work Programme.
- One **single applicant** (mono-beneficiary action).
- EU contribution not to exceed a **maximum of EUR 2,5 million** for up **to 5 years**
- EU contribution is limited to a **maximum of 90% of total** estimated budget

WIDESPREAD 2-2014: ERA Chairs

- Budget

- **Salaries** of ERA Chairs and his/her team.
- Contribution towards measures aimed at facilitating structural changes at the institution.
 - **ERA priorities,**
 - **Costs including training, meetings, publication and patenting costs, equipment (in duly justified cases), etc.**

The grant is not a measure to fund research *per se* and will **not cover research costs!**

6- ERA Chairs FP7 Pilot Call

6.1- Characteristics of the call

6.2- Analysis of results

6.3- Lessons learned during evaluation and negotiation

6.1- Characteristics ERA Chairs FP7 Pilot Call

- A pilot call to test the measure set up under FP7 with a deadline for submission on **30 May 2013** and an indicative budget of **EUR 12 million**.
- Call **published in the 2012-13 Capacities WP** which focuses on **convergence regions**.
- Similar conditions for the 1st H2020 call **except that maximum one successful project per country** to be funded.
- Call largely **oversubscribed** (total of **111 submissions**)
- Budget **increased to EUR 24 million** (allowing for 11 ERA Chairs) to increase geographical scope.
- **Negotiations completed for the 11 successful proposals**

ERA Chairs FP7 Pilot Call: Criteria

- 1. One ERA Chairs max per country**
- 2. One single legal entity in eligible countries/regions**
- 3. Eligible countries/regions = convergence regions 2007-13 and associated countries**
- 4. EU contribution is limited to a maximum of 90% of total estimated budget**
- 5. Requested EU contribution not to exceed a maximum of EUR 2,4 million for up to 5 years**

6.2- ERA Chairs FP7 Pilot Call: Results

ERA Chairs FP7 Pilot Call: Results

- Wide **geographical spread** among applicants
- With the exception of Austria, **all Member States with eligible regions were represented**
- **55 proposals from the "New" Member States** with all eligible states represented
- Significant number of **submissions from eligible regions in associated and candidate countries**
- Of the 111 proposals submitted, **14 were deemed ineligible** (by the dedicated Eligibility Committee)
- Of the **97 proposals evaluated, 48 passed all thresholds** while the others failed to obtain minimum marks in, at least, one of the criteria and were thus not ranked.

ERA Chairs FP7 Pilot Call: Results

- The ranking list encompassed **all the main scientific fields** in R&I
- Successful institutions are committed to “**Smart specialisation strategies**” in collaboration with regional authorities and other local or regional stakeholders.
