

DRAFT Programme

Planning the future Knowledge Base for Evaluation

'Conf-Shop' on Friday, 30 September 2011

Conference Centre Albert Borschette, Meeting Room AB-1D, Brussels/Belgium

Following the completion of the Interim Evaluation of FP7 and the publication of the Expert Group's report now is an ideal time to take stock – and to look ahead at future challenges.

This event will address three interrelated issues:

- An overview on recent efforts to assess the longer term impact of the Framework Programme;
- Reflections from practitioners on the evaluation of FP7;
- Views from experts and stakeholders on the challenges for an evaluation and monitoring system for the Horizon 2020 Programme.

The 'Conf-Shop' is not a traditional conference, but a conference and a workshop combining presentations with active involvement from the participants and providing the occasion for a real engagement.

09:30 **Registration / Coffee**

10:00 **Welcome and Opening Remarks**
Wolfgang Burtscher (European Commission)

THEME 1 - LONG-TERM IMPACTS OF THE FRAMEWORK PROGRAMME
Chair: Neville Reeve (European Commission)

10:15 **Evaluating the Long Term Impacts of the Framework Programmes**
Erik Arnold (Technopolis Group)

10:35 **Longer-term Impact Assessment on FP Research**
Ugur Muldur (European Commission)

10:55 *Coffee*

Views on cross-cutting Issues

11:15 **Longer-term Impact on Environment and Health**
Lis Puggaard (Cowi)

11:25 **Patterns of Research Collaboration**
N.N.

11:35 **ICT under the Framework Programmes**
Anna Krzyzanowska (European Commission)

11:45 **Research Infrastructures**
Costas Fotakis (FORTH, Institute of Electronic Structure & Laser/IESL)
