Brokerage Event

TECHA 2010

Technologies Exploitation for Cultural Heritage Advancement : Innovation at the service of Heritage

September 22th, 2010 : Grande Halle, Arles, FRANCE

The TECHA 2010 Brokerage Event is organised within the frame of the **TECHA 2010 International Forum** focusing on **Built Heritage, Natural Heritage, Culture Dissemination** & future perspectives of technologies linked to the cultural Heritage.

Run with the Cultural Industries and Heritage Cluster (France) in partnership with Enterprise Europe Network, the Consiglio Nazionale delle Ricerche (Italy) and the ENEA, Agenzia Nazionale per le Nuove Tecnologie, l'Energia e lo Sviluppo Economico Sostenibile (Italy) the **TECHA Brokerage Event** offers participants a bespoke programme of conferences, round tables and face-to-face qualified meetings.

Entreprise Europe Network (France, Italy, Portugal) works with you extensively to set up a 1-day programme of business meetings based on your specific criteria.

Technological keywords
