Microlearning Clips

Clip 8: “Do businesses pay tax?”

Clip Description

Representative image

Title	Do businesses pay tax?
Brief description	The activity aims at helping students understand why a business has to pay taxes and how this contributes to the Society’s wellbeing.
Details	<p>Purpose:</p> <p>Students should understand why a business has to pay taxes and how this contributes to the Society’s wellbeing.</p> <p>Objectives:</p> <p>Identify and understand where do the money paid by businesses in taxes go and what happens to that money from that point forward.</p> <p>Understand the benefits the employees get due to the taxes paid by their employers.</p> <p>Materials:</p> <p>Micro-clip “Do businesses pay taxes?”</p> <p>Interactive whiteboard (or just an LCD projector)</p> <p>Vocabulary:</p>

	taxes, business, State Budget, public services
How to use this lesson	<p>Activity steps:</p> <p>Play the introductory part of the clip. Pause the clip and make sure the students have understood the plot.</p> <p>Play the first section and debate the presented information. Debate over the concept of State Budget.</p> <p>Play the section “Business taxes provide benefits to employees” and discuss about the benefits the employees get from the taxes paid by their employers and how the balance can be affected if the employers don’t pay their duties.</p> <p>Wrap up:</p> <p>You can organize a class discussion based on the concepts presented in the micro-clip. The topics addressed may include:</p> <p>Ask students to describe a business’ activity they know from a friend or a member of their family and make a list of benefits the employees get when the business pays its taxes.</p> <p>You can also use the educational game provided in this section as homework for consolidating the concepts presented in the lesson.</p>
